Chicago Police Get Further  
Confessions and Plan  
Speedy Trials.

## VICTIMS ARE BURIED

Semi-Military Rites for Two  
Policemen Slain by  
Terrorists.

## PRIEST DENOUNCES ACTS

Decries Lawlessness of 'Beasts  
of Unionism Who Prey Upon  
the Lawabiding.'

Special Dispatch to THE NEW YORK HERALD.  
CHICAGO, May 13.—While Chief of  
Police Fitzmorris to-day was attempt-  
ing to run to earth, through the re-  
ported confessions of three men, the  
actual slayers of the two policemen  
slain to death during Tuesday night's  
labor bombings, hundreds of persons  
paid final honors to the victims of  
the gunmen.

Impressive ceremonies of a semi-  
military character marked the fun-  
erals of Lieut. Lyons and Patrolman  
Clarke, the two victims, held simul-

taneously at their respective homes  
and churches.

The Rev. Father W. L. Frawley, in  
his sermon at the services conducted  
for Patrolman Clarke, decried the  
lawlessness of "the beasts of unionism  
who prey upon the lawabiding."

"I do not mean to say that I am op-  
posed to unionism in an orderly man-  
ner. I feel that it is, in its entirety,  
a noble, a just and a good thing," said  
the priest. "But when the hoodlums  
and the lawless break forth on a mad  
orgy of crime I lose faith in organiza-  
tions of that kind."

Meanwhile steps were being taken by  
both the prosecution and the defense to  
bring about a speedy trial of "Big Tim"  
Murphy, Fred Mader, "Con" Shea and  
five others indicted for the double kill-  
ings. Attorneys for Murphy and Mader  
appeared before Judge Kiehlman Scan-  
lan to ask him to assign the case to a  
Judge at once. He agreed to do so on  
Monday.

### Dozen More Rounded Up.

The police questioned more than a  
dozen men rounded up during the night.  
They are said to have been picked up  
on information given in a statement by  
Harry ("Smash") Hansen, who de-  
clined to accept his freedom on a habeas  
corpus writ, saying he "preferred to re-  
main in the custody of the police."

Isador Braverman and Robert M. Mc-  
Cloud, both under indictment, are the  
others who are said to have furnished  
the police with valuable information.  
Secrecy has been thrown about the  
reported confessions and the information  
on which the new arrests were made, but  
it is said the developments strike a  
definite blow at the "Big Three," Mur-  
phy, Mader and Shea, as leaders of the  
terrorist warfare against Landis award  
workers. Shea was turned over to the  
Sheriff to-day and placed in a cell at  
the county jail, where Murphy and  
Mader are held.

It was indicated that information  
regarded as of great value to the police  
in their war on crooked labor officials  
has been pouring into the detective bu-  
reau. The names of the new suspects  
were closely guarded, but it was in-  
dicated by the police that they were  
greatly pleased with the clues given by  
the men. Their names have not been  
mentioned in connection with the in-  
vestigation thus far.

### Release Prevented.

One official said the newest prisoners  
cannot be reached through habeas corpus

proceedings or through any other legal  
means until the police are willing to  
take them into court to make their  
damaging statements against union offi-  
cials.

A resolution was unanimously passed  
to-day at a meeting of the affiliated  
clubs of Chicago, tendering the whole-  
hearted support and sympathy of the  
sixty-two civic bodies and clubs com-  
prising that organization to the Superin-  
tendent of Police, the State Attorney and  
other law enforcing officers charged  
with the responsibility of suppressing  
the dangerous element represented by  
the "bomb murders."

One hundred representatives of the  
clubs attended the meeting.  
The club members in their resolution  
called on all citizens of Chicago also  
to give their support to the officers of  
the law in an effort to punish the male-  
factors responsible for the murders of  
the two policemen.

### COMMUTATION TICKET SCALPER FINED \$250

Freeport Man First Convicted  
Under New State Law.

At a trial at Freeport, L. I., yesterday  
in the Justice's Court, before Judge John-  
son, James Picciotta, proprietor of the  
Eagle Shoe and Repair Shop, was found  
guilty of unlawfully renting out and  
selling Long Island Railroad commu-  
tation tickets and was fined \$250.

This is the first conviction brought  
about by the Long Island Railroad Com-  
pany under the law enacted April 5,  
1922, by the New York State Legisla-  
ture making it a misdemeanor to mis-  
use commutation tickets and other  
transportation sold at reduced rates.  
Violation of this law is punishable by  
imprisonment in a penitentiary or county  
jail for not more than one year, or by a  
fine of not more than \$500, or by both.

It has been estimated that about 200  
monthly commutation tickets are being  
unlawfully used for passage between  
Freeport and New York and between  
Freeport and Brooklyn. The commu-  
tation rate between Freeport and Penn-  
sylvania station is \$11.61 a month, or  
about 29 cents a round trip. As the  
round trip excursion rate between the  
same two points is \$1.78, the railroad  
company actually loses \$1.37 every time  
a round trip is made by a person mis-  
using a commutation ticket.

## BLIZZARD'S TRIAL TO END THIS WEEK

Further Testimony Given  
About Financing of Miners'  
Armed March.

CHARLES TOWN, W. Va., May 13  
(Associated Press).—The State expects  
to close its case against William Bliz-  
zard on a charge of treason next  
Wednesday or Thursday, A. J. Belcher,  
chief prosecution counsel, announced in  
court to-day. H. W. Houston, chief  
defense attorney, said he wished to know  
in order to notify some witnesses.  
Walter Morris of Coal Fork, a union  
member, said he heard of the killing of

a man named Gwynn last night after  
"Mother" Jones made her speech. The  
following morning he saw the body  
being taken out, he added, but on cross-  
examination admitted he knew nothing  
of how the man met death and was not  
positive who he was. Cross-examination  
also brought out that he heard only of  
the intention of organizing mine workers  
in Logan and Mingo counties and not  
of plans by men at Marmet to nullify  
martial law.

The State delved again into the use  
of union funds in connection with the  
march against Logan county. Walter  
Hancock of Dry Branch testifying that  
the local to which he belonged gave \$250  
for the purpose.

"What did you promise to be let out  
of jail in Logan county without bond  
after you had been charged with mur-  
der?" he was asked, and after answer-  
ing that he made no promises, said:  
"You'll have to go over and ask Don  
Chasen."  
The State reexamined to show that  
Hancock took no part in the second  
march in connection with which the mur-  
der charges were lodged.  
G. W. Akers testified that a com-

mittee from the local union there settled  
a bill for \$22 for supplies taken one  
night during the march from the store  
of the Boone County Coal Corporation.  
Under cross-examination he said he  
heard armed men in Argosieson declare  
they were going to release prisoners in  
Mingo county and do away with martial  
law.

### CANADA CLAIMS WRANGELL

Flag Flies Over Island Which  
Dominion Says U. S. Discovered.

OTTAWA, Ont., May 13.—The Canadian  
Government maintains the position that  
Wrangell Island is part of Canada's ter-  
ritory, the Canadian flag now flies over  
the island and an expedition is being  
prepared to go up there. This was the  
declaration of the Prime Minister, W.  
L. Mackenzie King, when the Commons  
last night voted \$15,000 for patrol of  
the northern waters of Canada.

Hugh Guthrie, former Minister of  
Militia, said there was no doubt that the  
United States would make claim to the  
island on the grounds of previous dis-  
covery.
